

A young widow and her daughter outside their new 1 room home

SEP 2018

Donation Amount: \$1775.00

For the month of September we made a donation to CINI Australia. CINI Australia supports a number of programs in West Bengal, through the Child in Need Institute India, and they are achieving some fantastic results. They focus on giving a hand up, not a hand out.

Our donation is being used to support their IICCHAA initiative (Indian initiative for child centered HIV/AIDS approach). The program supports children who are affected by HIV/AIDS and reaches 200 children in 176 families.
