

MAR 2021

Donation Amount: \$3340.00

This year CINI Australia is helping 200 adolescents living in an infamous red-light district of Kolkata, where COVID has completely disrupted their education. They are having lessons to learn about health and life skills, to protect themselves from exploitation. Parents are relieved that their children will have this desperately needed assistance. Modus Property's monthly contributions are making new projects possible, and we hope to help create brighter futures.
