

# MAY-JUN-JUL-AUG 2021

**Donation Amount: \$7710.00**

Over the last few months, CINI have committed a large amount of their resources, including some of our funding, to aid the many people suffering with COVID. Wellness kits including masks, soaps, nutritional supplements etc. are continuing to be supplied. CINI staff are also working hard to get out into the communities and provide information to the many people who can't read, or don't have access to media; on how to keep themselves and their families safe.
