

2022 FOURTH QUARTER

Donation Amount: \$4472.00

In this quarter, CINI's IICCHAA team celebrated International HIV/AIDS Day (Indian Initiatives of Child Centred Aids Approach). When positive and negative children come together for educational play activities, as part of the drive to reduce stigma and discrimination.

The 9 dedicated program staff also undertook their annual training. The team needs a wide range of specific skills. Including the ability to assist sufferers navigate the delicate path of disclosing their HIV status to access economic assistance, running village awareness activities and advocating with Government for vulnerable families. CINI is committed to ensuring its staff are equipped do the best for those they are supporting.

Our monthly donations continue to support the program which provides assistance to 171 families and a total of 223 children affected by HIV/AIDS.
