

2023 THIRD QUARTER

Donation Amount: \$4350.00

Modus Property continues to support CINI (Children In Need India). CINI focuses on giving a hand up, rather than hand outs. We have been supporting income generation training programs for individuals living with HIV who aspire to secure their livelihoods.

Under the program, tailoring training is being provided, with the primary aim of equipping these individuals with skills to become self reliant.

In anticipation of the upcoming Bengali Durga Puja festival, which sees increased demand for various items like sarees, kurtis, churidars, bangles, earrings, and jewellery; the training has been focused on fabric painting.
